DON'T SUFFER

Use Soothing Musterole

When those sharp pains to shooting through your! when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes want the pain usually always up to be a marked as a little of the souther than the pain usually always up to be a little of the souther than the pain usually always to be a little of the souther than the pain usually always to be a little of the souther than the pain usually always the paint and the souther than away the pain, usually giving quick relief. Musterole is a clean, white cintment, made with oil of mustard. Better then a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, recommend Musterede for sore divise, broachide, croup, still neck, asthma, neuralgle, congestion, plantay, the unaterism, tumbago, pains and actes of the back or joints, spraint, core muscles, bruises, chibinine, frosted feet—colds of the cheef (it often provents pacunonia). It is always dependable.
